AUTO PICKUP PETRO CHEM PVT. LTD.

POWER PACK BIKING EXPERIENCE 4T ENGINE OIL

NEO 4T 10W-30

4 Stroke Engine Oil | Meets API-SN

Benefits of use:

- Reduces friction and wear.
- Prevents overheating.
- Guards against wear and corrosion.
- Keeps engine parts clean.
- Enhances acceleration and efficiency.

Recommended for: All 4 strokes Bikes

Available in: 800, 900ml, 1L, 1.2L, 2.2L, 50L, 210L

NEO 4T 20W-40

4 Stroke Engine Oil | Meets API-SN

Benefits of use:

- Reduces friction and wear.
- Prevents overheating.
- Guards against wear and corrosion.
- Keeps engine parts clean.
- Enhances acceleration and efficiency.

Recommended for: All 4 strokes Bikes

Available in: 800, 900ml, 1L, 1.2L, 2.2L, 50L, 210L

CANE-4T 20W-40

4 Stroke Engine Oil | Meets API-SN

Benefits of use:

- Reduces friction and wear.
- Prevents overheating.
- Guards against wear and corrosion.
- Keeps engine parts clean.
- Enhances acceleration and efficiency.

Recommended for: All 4 strokes Bikes

Available in: 800, 900ml, 1L, 1.2L, 2.2L, 50L, 210L

Xclusive-4T 20W-40

4 Stroke Engine Oil | Meets API-SN

Benefits of use:

- Reduces friction and wear.
- Prevents overheating.
- Guards against wear and corrosion.
- Keeps engine parts clean.
- Enhances acceleration and efficiency.

Recommended for: All 4 strokes Bikes

Available in: 800, 900ml, 1L, 1.2L, 50L, 210L

POWER PACK BIKING EXPERIENCE 4T ENGINE OIL

PUNCHTECH 20W-40

4 Stroke Engine Oil | Meets API-SN

Benefits of use:

- Reduces friction and wear.
- Prevents overheating.
- Guards against wear and corrosion.
- Keeps engine parts clean.
- Enhances acceleration and efficiency.

Recommended for: All 4 strokes Bikes

Available in: 800, 900ml, 1L

EXCLUSIVE 20W-40

4 Stroke Engine Oil | Meets API-SN

Benefits of use:

- Reduces friction and wear.
- Prevents overheating.
- Guards against wear and corrosion.
- Keeps engine parts clean.
- Enhances acceleration and efficiency.

Recommended for: All 4 strokes Bikes

Available in: 800, 900ml, 1L

DYNAMIC & NEXTGEN 4T

4 Stroke Engine Oil

Benefits of use:

- Reduces friction and wear.
- Prevents overheating.
- Guards against wear and corrosion.
- Keeps engine parts clean.
- Enhances acceleration and efficiency.

Recommended for: All 4 strokes Bikes

Available in: 800, 900ml, 1L, 1.2L, 20L, 26L, 50L, 210L

DYNAMIC 4T 20W-50 & 15W-50

4 Stroke Engine Oil

Benefits of use:

- Reduces friction and wear.
- Prevents overheating.
- Guards against wear and corrosion.
- Keeps engine parts clean.
- Enhances acceleration and efficiency.

Recommended for: All 4 strokes Bikes

Available in: 900ml, 1L, 2.5L, 20L, 26L, 50L, 210L

HIGH EFFICIENCY GEAR OIL

DYNAMIC EP-90

Premium Quality Gear Oil | Meets API GL-5

Benefits of use:

- Protection against gear wear and corrosion.
- For heavy-duty applications.
- Smooth gear shifting and reduced noise levels.
- Maintains performance under high temperatures.
- Reduces friction and wear.

Recommended for: Manual gear boxes of bus, passenger cars and trucks.

Available in: 500ml, 1L, 3L, 5L, 10, 20L, 26L, 50L, 210L

DYNAMIC EP-140

Premium Quality Gear Oil | Meets API GL-5

Benefits of use:

- For high-load and high-temperature applications.
- Reduces gear wear and extends the life of equipment.
- Maintains viscosity and performance.
- Preventing metal-to-metal contact.
- Reduces friction, smooth and quiet gear shifts.

Recommended for: Manual gear boxes of bus, passenger cars and trucks.

Available in: 500ml, 1L, 3L, 5L, 10, 20L, 26L, 50L, 210L

DYNAMIC 85W-140

Premium Quality Gear Oil | Meets API GL-5

Benefits of use:

- Handles extreme pressure.
- Reduces gear friction.
- Performs well under heat.
- Prevents sludge buildup.
- Shields against rust.

Recommended for: Manual gear boxes of bus, passenger cars and trucks.

Available in: 500ml, 1L, 3L, 5L, 10, 20L, 26L, 50L, 210L

DYNAMIC 80W-90

Premium Quality Gear Oil | Meets API GL-5

Benefits of use:

- Suitable for a wide range of temperatures.
- Reduces gear friction for quieter operation.
- Extends the life of gears and bearings.
- Protects against rust and oxidation.
- Maintains performance in varying conditions.

Recommended for: Manual gear boxes of bus, passenger cars and trucks.

Available in: 500ml, 1L, 3L, 5L, 10, 20L, 26L, 50L, 210L

HIGH POWER INDUSTRIAL OILS

DYNAMIC EP-220 Premium Quality Gear Oil | Meets API GL-5

Benefits of use:

- Enhanced Protection Against Wear and Tear
- Improved Load Carrying Capacity
- Corrosion and Rust Resistance
- Reduced Friction and Heat Generation
- Longer Equipment Life

Recommended for: Manual gear boxes of bus, passenger cars and trucks.

Available in: 500ml, 1L, 3L, 5L, 10, 20L, 26L, 50L, 210L

DYNAMIC EP-320 Premium Quality Gear Oil | Meets API GL-5

Benefits of use:

- Reduces friction and wear.
- Prevents overheating.
- Guards against wear and corrosion.
- Keeps engine parts clean.
- Enhances acceleration and efficiency.

Recommended for: Manual gear boxes of bus, passenger cars and trucks.

Available in: 500ml, 1L, 3L, 5L, 10, 20L, 26L, 50L, 210L

DYNAMIC EP-460 Premium Quality Gear Oil | Meets API GL-5

Benefits of use:

- Reduces friction and wear.
- Prevents overheating.
- Guards against wear and corrosion.
- Keeps engine parts clean.
- Enhances acceleration and efficiency.

Recommended for: Manual gear boxes of bus, passenger cars and trucks.

Available in: 500ml, 1L, 3L, 5L, 10, 20L, 26L, 50L, 210L

DYNAMIC ISO-68 Premium Quality Gear Oil | Meets API GL-5

Benefits of use:

- Reduces friction and wear.
- Prevents overheating.
- Guards against wear and corrosion.
- Keeps engine parts clean.
- Enhances acceleration and efficiency.

Recommended for: Manual gear boxes of bus, passenger cars and trucks.

Available in: 500ml, 1L, 3L, 5L, 10, 20L, 26L, 50L, 210L

HIGH EFFICIENCY AUTOMOTIVE OIL

DYNAMIC 5W-30

Premium Quality Synthetic Oil | Meets API-SN

Benefits of use:

- Protection against gear wear and corrosion.
- For heavy-duty applications.
- Smooth gear shifting and reduced noise levels.
- Maintains performance under high temperatures.
- Reduces friction and wear.

Recommended for: Petrol and diesel engines in cars, SUVs, light vans, and light trucks.

Available in: 500ml, 1L, 3L, 5L, 10, 20L, 26L, 50L, 210L

DYNAMIC 5W-40

Premium Quality Synthetic Oil | Meets API-SN

Benefits of use:

- Protection against gear wear and corrosion.
- For heavy-duty applications.
- Smooth gear shifting and reduced noise levels.
- Maintains performance under high temperatures.
- Reduces friction and wear.

Recommended for: Passenger cars, SUVs, trucks, and vans.

Available in: 500ml, 1L, 3L, 5L, 10, 20L, 26L, 50L, 210L

DYNAMIC 20W-50

CNG Engine Oil | Meets API SF/CD

Benefits of use:

- Enhanced Engine Protection:
- Improved Lubrication.
- Reduced Oil Consumption.
- Extended Engine Life.
- Optimal Viscosity.

Recommended for: Autos, passenger cars and minivans running on CNG/LPG fuel.

Available in: 500ml, 1L, 3L, 5L, 10, 20L, 26L, 50L, 210L

DYNAMIC 15W-40

Diesel Engine Oil | Meets API CI-4

Benefits of use:

- Works in both hot and cold climates.
- Reduces wear and extends engine life.
- Ensures smooth performance under heavy loads.
- Fights sludge and deposits.
- Reduces evaporation and oil loss.

Recommended for: For heavy-duty engines in pickup trucks and SUVs.

Available in: 500ml, 1L, 3L, 5L, 10, 20L, 26L, 50L, 210L

HIGH EFFICIENCY AUTOMOTIVE OIL

DYNAMIC UTTO Universal Tractor Transmission Oil

Benefits of use:

- Suitable for a wide range of temperatures.
- Reduces gear friction for quieter operation.
- Extends the life of gears and bearings.
- Protects against rust and oxidation.

Recommended for: Transmission systems, including those fitted with wet brakes, hydraulic systems, gearboxes and final drives.

Available in: 500ml, 1L, 3L, 5L, 10, 20L, 26L, 50L, 210L

DYNAMIC TQ-ATF Premium Quality Transmission Oil

Benefits of use:

- Enhanced performance
- Wear and rust protection
- Stable viscosity
- Extended transmission life

Recommended for: Automatic transmissions, power steering units, and synchromesh gearboxes in automobiles and light trucks

Available in: 500ml, 1L, 3L, 5L, 10, 20L, 26L, 50L, 210L

DYNAMIC 20W-40 Premium Quality Multigrade Oil | Meets API SF/CD

Benefits of use:

- Reduces friction and wear.
- Prevents overheating.
- Guards against wear and corrosion.
- Keeps engine parts clean.
- Enhances acceleration and efficiency.

Recommended for: All cars, taxi, 3 wheelers & commercial vehicles, running on CNG/LPG.

Available in: 500ml, 1L, 3L, 5L, 10, 20L, 26L, 50L, 210L

DYNAMIC PSO Pump Set Oil | Meets SAE-40

Benefits of use:

- Protects engine from wear and rust.
- Higher levels of engine cleanliness.
- Longer oil life and equipment life.
- Offers better fuel efficiency.
- Reduced oil top up.

Recommended for: Agricultural pump sets.

Available in: 500ml, 1L, 3L, 5L, 10, 20L, 26L, 50L, 210L

HIGH EFFICIENCY HYDRAULIC OIL

DYNAMIC 10-W

Premium Quality Hydraulic Oil

Benefits of use:

- Excellent wear protection.
- Smooth machinery operation.
- Resists oxidation and thermal breakdown.
- Strong corrosion protection.
- Performs well in various temperatures.

Recommended for: Hydraulic pumps, Industrial machinery, Reciprocating compressors.

Available in: 500ml, 1L, 3L, 5L, 10, 20L, 26L, 50L, 210L

DYNAMIC AW-32

Premium Quality Hydraulic Oil | Antiwear

Benefits of use:

- Excellent wear protection.
- Smooth machinery operation.
- Resists oxidation and thermal breakdown.
- Strong corrosion protection.
- Performs well in various temperatures.

Recommended for: Hydraulic pumps, Industrial machinery, Reciprocating compressors.

Available in: 500ml, 1L, 3L, 5L, 10, 20L, 26L, 50L, 210L

DYNAMIC AW-46

Premium Quality Hydraulic Oil | Antiwear

Benefits of use:

- Excellent wear protection.
- Smooth machinery operation.
- Resists oxidation and thermal breakdown.
- Strong corrosion protection.
- Performs well in various temperatures.

Recommended for: Mobile and stationary hydraulic vane-, piston-, and gear-type pumps.

Available in: 500ml, 1L, 3L, 5L, 10, 20L, 26L, 50L, 210L

DYNAMIC AW-68

Premium Quality Hydraulic Oil | Antiwear

Benefits of use:

- Excellent wear protection.
- Smooth machinery operation.
- Resists oxidation and thermal breakdown.
- Strong corrosion protection.
- Performs well in various temperatures.

Recommended for: Hydraulics with vane, piston or gear-type pumps.

Available in: 500ml, 1L, 3L, 5L, 10, 20L, 26L, 50L, 210L

HIGH EFFICIENCY AUTOMOTIVE & INDUSTRIAL GREASE

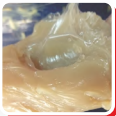

AP-3 PLUS GREASE

ALL PURPOSE GREASE

Benefits of use:

- Protection against gear wear and corrosion.
- Inhibition of rust, corrosion and oxidation.
- Extended life and lubrication intervals.

Available in: 100gm, 200gm, 500gm, 1kg, 2kg, 3kg, 5kg, 10kg, 18kg, 50kg, 180kg

GEL GREASE

PREMIUM QUALITY GEL GREASE

Benefits of use:

- Mechanical & thermal stability
- Superior corrosion and pressure protection
- Excellent stability in storage and service

Available in: 100gm, 200gm, 500gm, 1kg, 2kg, 3kg, 5kg, 10kg, 18kg, 50kg, 180kg

AP-LR GREASE

ALL PURPOSE LONG RUN GREASE

Benefits of use:

- Wide operating temperature range.
- Good resistance to water washout.
- Extra protection against rust and corrosion.

Available in: 100gm, 200gm, 500gm, 1kg, 2kg, 3kg, 5kg, 10kg, 18kg, 50kg, 180kg

AUTCARE PRODUCTS

CHAIN CLEANER

Premium Quality Chain Cleaner Spray

Benefits of use:

- Reduced Friction and improved longevity.
- Improved smoothness and power delivery.
- Improved protection from dirt, rust, and corrosion.
- Endurance, Longevity and Ease of Maintenance.
- Peace of Mind and an enjoyable riding experience.

Recommended for: Bicycle or motorcycle chain.

Available in: 150ml

CHAIN LUBE

Premium Quality Chain Lube Spray

Benefits of use:

- Extending the life of the chain.
- Protecting from environmental conditions.
- Reducing noise.
- Improving efficiency.
- Preserving the chain's appearance.

Recommended for: Motorcycle chain.

Available in: 150ml, 500ml

THROTTLE BODY & AIR INTAKE CLEANER

Benefits of use:

Premium Quality Throttle Body & Air Intake Cleaner Spray

- Boosts engine performance.
- Improves fuel efficiency.
- Ensures smoother idling.
- Extends engine lifespan. • Enhances throttle response.

Recommended for: Throttle body of a vehicle, including cars, trucks, boats, motorcycles, and snowmobiles

Available in: 150ml

SPRAY GREASE

Premium Quality Spray Grease

Benefits of use:

- Provides long-lasting lubrication.
- Reduces friction and wear on moving parts.
- Protects against rust and corrosion.
- Penetrates hard-to-reach areas. • Prevents squeaking and sticking.

Recommended for: Vehicles, and for commercial purposes, bearings, Chains, Door panels and hinges, Locks and knobs, Tools, Zippers Etc.

Available in: 150ml

AUTOCARE PRODUCTS

ANTI RUST SPRAY Premium Quality Anti Rust Spray

Benefits of use:

- Protects metal surfaces from moisture, salt, and corrosion.
- Forms a long-lasting barrier against rust.
- Quickly dries to minimize downtime..
- Helps keep metal surfaces dry and rust-free.
- Convenient spray bottle or aerosol for effortless application.

Recommended for: Automobile, Tools & Outdoor Furniture.

Available in: 150ml

BRAKE PARTS CLEANER Premium Quality Brake parts Cleaner Spray

Benefits of use:

- Effectively removes grease, oil, brake fluid, dust, and dirt from brake parts.
- Gently cleans without damaging delicate surfaces or leaving scratches.
- Can be used on other automotive & engine parts.
- Cleans contaminants that can cause squeaking, poor performance, or uneven braking.
- Regular cleaning can help avoid costly repairs or premature replacement of brake parts.

Recommended for: Automotive Engine parts & brake parts.

Available in: 150ml

ANTI BACTERIAL HELMET CLEANER

Benefits of use:

Premium Quality Helmet Cleaner Spray

- Helps eliminate unpleasant smells, leaving the helmet fresh
- Reduces bacteria and germs that can accumulate inside the helmet.
- Keeps the interior of the helmet clean and odor-free
- Reduces germs, bacteria, and mold that can thrive in a dirty helmet, promoting better health.

Recommended for: Interior padding & shell of helmet.

Available in: 350ml

SUPER SHINE SPONGE POLISH

Benefits of use:

Premium Quality Sponge Polish

- Wet gloss shine & long-lasting protection.
- Anti-stick and dirt repelling.
- Helps prevent fading.
- Thick gel formula eliminates over spray, runs and dips.

Recommended for: Car(Interior& Exterior) & Motor Bikes.

Available in: 1 pc

AUTOCARE PRODUCTS

ENGINE FLUSH Premium Quality Engine Flush

Benefits of use:

- Engine Flush removes gums, sludge, Varnish and helps free Sticking Valves, Lifters and Rings.
- For petrol and diesel engines. Contain anti-wear additives.
- Helps maintain efficient oil circulation throughout the entire engine.
- Engine Flush is a quick result formula, it gives result within 2 minutes.

Recommended for: Automobile, Tools & Outdoor Furniture.

Available in: 250ml

ENGINE FLUSH Premium Quality Engine Flush

Benefits of use:

- Engine Flush removes gums, sludge, Varnish and helps free Sticking Valves, Lifters and Rings.
- For petrol and diesel engines. Contain anti-wear additives.
- Helps maintain efficient oil circulation throughout the entire engine.
- Engine Flush is a quick result formula, it gives result within 2 minutes.

Recommended for: Automobile, Tools & Outdoor Furniture.

Available in: 60ml

PETROL FUEL TREATMENT Premium Quality Petrol Fuel Treatment

Benefits of use:

- Cleans fuel injectors and combustion chambers.
- Reduces carbon build-up and maintains engine efficiency.
- Protects against rust and corrosion in the fuel system.
- Protects against rust and corrosion and economy.
- Easy to use - just add to the fuel tank.

Recommended for: Fuel tank, Fuel system.

Available in: 60ml

OIL TREATMENT Premium Quality oil tretment

Benefits of use:

- Combines Advantages of both low and High Viscosity oils in a premium Blend. • Low oil consumption.
- Quick Lubrication of moving Engine parts.
- Easier Cold Weather Stability.
- Protects High Mileage Engines.

Recommended for: Automotive Engine parts.

Available in: 250ml, 60ml

AUTOCARE PRODUCTS

NANO COATING POLISH

Premium Quality Multi-Functional Nano Coating

Benefits of use:

- Provides long-lasting shine and protection.
- Repels water, dirt and contaminants.
- Enhances paint durability and resists scratches.
- Makes cleaning easier with a self-cleaning effect.
- Protects against UV damage and fading.

Recommended for: Car & Motorcycle.

Available in: 200ml

COOLANTS

Premium Quality Coolants | Antifreeze/RTU

Benefits of use:

- Regulates engine temperature.
- Prevents overheating.
- Protects against corrosion.
- Inhibits freezing in cold weather.
- Extends engine life.

Recommended for: All types of Radiator

Available in: 500ml, 1L, 3L, 3.5L, 5L, 7.5L, 10L, 20L

DOT-3/DOT-4 BRAKE FLUID

Premium Quality Brake Fluid

Benefits of use:

- Reduces friction and wear.
- Prevents overheating.
- Guards against wear and corrosion.
- Keeps engine parts clean.
- Enhances acceleration and efficiency.

Recommended for: Standard vehicles like cars, SUVs, and trucks.

Available in: 100ml, 250ml, 500ml, 1L

DYNAMIC SHOCKER OIL

Premium Quality Shocker Oil

Benefits of use:

- Ensures fast and responsive braking.
- Minimizes the risk of leaks in the brake system.
- Prevents fluid degradation over time.
- Provides consistent friction for safe braking.
- Low environmental impact.

Recommended for: Hydraulic fork of all motorcycles.

Available in: 175ml, 350ml
